

Grice Gun Shop, Inc.'s Appraisal Service Policy - Revised 5/10/2022

There are appraisal fees to establish appraisal quotes for current values on any collectible firearm and/or collections of 3 or more firearms. A lot of time goes into researching accurate information. We research from a multitude of resources to give accurate and fair prices, values, and quotes. We cannot absorb the time or cost it takes to perform accurate appraisals, so a fair appraisal fee is in place.

Appraisal service fees must be paid up front and in full, PRIOR to any appraisal. We advise you to call (814)-765-9273 to make an appointment for appraisal of three or more firearms.

Anyone interested in appraisal services must physically bring the firearm(s) to our store for inspection. Depending on how busy the store is, you may be asked to leave the firearm(s) for several days or more, depending on size of the collection, so we can work on accurately appraising them over a period of time.

If you decide to sell the firearm(s), you can sell to us on the spot or within 14 days after receiving the appraisal results. Firearm(s) must be in the exact same condition with the same accessories as when it was appraised and quoted. The individual appraisal fee for each firearm will be added to the purchase price quote, whether you are selling outright or trading. Essentially, if you end up selling or trading the appraised firearm(s) to us, there is no cost to you.

If you decide not to sell the firearm(s) to Grice Gun Shop, then the transaction is complete once you receive appraisal results.

If you have a collection of 25 or more firearms to be appraised, you can call (814)-765-9273 to make an appointment, or we may potentially travel to your home if you live within 60 miles of Clearfield Pennsylvania, pending that we have time to do so. The cost for travel is \$1.00 per mile, both ways. For example, if you live 60 miles away, $60+60=120$ total miles, so $120 \text{ miles} \times \$1.00 = \$120.00$ travel fee. The travel fee and appraisal fee per gun must be paid upfront and in full, PRIOR to us traveling or appraising any firearms. If you decide to sell all the firearms at the time we are at your home, the appraisal fee and travel fee will be added back to the purchase price quote, essentially costing you nothing. Should you wait to decide whether to sell within the 14 day period, additional travel fees may apply if we have to make multiple trips.

Firearm Appraisal Fees:

Collectable Firearms: \$20.00 PER FIREARM

- A legitimate and fair value is researched from various resources and based on our experience, as well as current prices derived from book values and online auctions.

Newer/Current/Non Collectable Firearm: \$10.00 PER FIREARM

- Values are established based on current "new" cost of the firearm or similar models.
